## International Motor Trucks

The I H C Line

LAST fall we handled nearly our entire fruit crop with an International Motor Truck, the truck readily doing as much as two teams. For a period of nearly three months the truck was on the road six days a week, averaging about forty miles a day over all kinds of roads. It appears to be in as goodshape now as the day we brought it home. The machine is a money maker as well as a time saver for us.

GARLOCK FRUIT FARM CO., Grimes, Iowa."

Use an International Motor Truck, and handle your produce much more economically and profitably.

The solid tires cut down tire troubles. The meter is simple. The truck is easy to operate—one lever controls the car. You can have any style of body—express—stake—panel; the one that best suits your needs.

Our International truck catalogue is full of facts that may mean money to you later. Drop us a card and let us send you information.

—Mrs. Mattie Dunham, of Mound City, left Thursday for St. Helena, California, for an extended stay with the annual meeting of the State Denher mother, Mrs. Phoebe Hatch, who formerly resided near Forest City, and is now nearing her 90th birthday and is now nearing her 90th birthday and is now nearing her 90th birthday and says the Doctor wasn't very much trouble. He was just as good far as St. Joseph by her son, Ed A. Dunham, our circuit clerk. She will Dunham, our circuit clerk. She will bunham, our circuit clerk. She will be used to watch him closely to keep him from being run over by the street cars, or automobiles—there were so beastly many, you know, down there.

#### Republican Township Meetings.

Republican Township Meetings.

The Republicans of Holt county are called to meet in their respective townships, on Saturday, May 16, at 2 o'clock p.m., to select delegates to a county convention, to be held at Forest City, on Monday, May 18, which will select 7 delegates to their state convention, which meets in St. Louis, Wednesday, May 27.

We trust the Republicans of the county will hear the call of the Republican county central committee, and attend their township meeting and select full delegations to the county convention.

The hour calls for a high order of patriotism, for self restraint, for soberjudgment. Men must harbor no petty jealousles and nurse no resentiments. They must bury beyond reach of the hand of resurrection the memory of past differences and stand together in a common cause. Party unity is dictated by a sense of common prudence, and all of those who believe in the vital necessity of restoring prosperity to the country and of insuring its continuance in fullest measure, and who believe that this can be accomplished by once more putting into effect. Republican policies should stand shoulder to shoulder.

Get in line, boys; attend your town-ship meetings, and select a strong representative set of delegates.

#### Women's Union Party.

Women's Union Party.

On Wednesnay evening, April 29, the Women's Union was entertained by the following hostesses: Mesdames Albert Seeman, Frank Foster, E. J. Powell, E. O. Phillips, Harry Kreek, J. C. Whitmer, Lewis Moore, Robert Ruley, T. C. Dungan, and Miss Lois Richards. As the guests entered, the hostesses in a receiving line, dressed in Martha Washington style, with cap, kerchief, and powdered hair, welcomed them with a demure dignity worthy of the real Martha Washington. Each guest represented some tree, so the first part of the evening was spent in guessing these. Mrs. Cora Burgess received the prize, a beautiful red-potted geranium. Next big cardboard leaves with a poem on them were passed around with space to be illied out with name of trees. Mrs. Bridgeman won this prize, a bouquet of pink carnations. Then came one of the best features of the evening, a dainty luncheon. Every one there said that they had the best time ever.

#### From the Islands.

EDITORS SENTINEL:—Mrs. Foley received a letter from her daughter. Jesta, who is now at San Juan and Portor Rico, and likes it much better than in Cuba. Says its more like the states. From Cuba they went to Santlago, Domingo, but only stayed two weeks, as it was about time for the revolution to start there. The day before they left they took about 200 men down to the boat and sent them to the lighting ground. Some of them didn't have shoes to wear or enough to eat, but they had to go and leave their families in like circumstances. One night a bunch of young boys came over from another town to see the show, and just as they go to the door, they were grabbed, as it were, by the police and took them to jail. Jesta says she was scared all the time they were there, but where they are now it is more safe. She said it was hot there, and she is homesicg and will soon be on their way homeward bound. Suscember. #### Obituary.

Obituary.

Sarah Levina French was born in Jackson county. Indiana, September 4, 1850, and died at her home in Oregon, May 4, 1914, aged 61 years, eight months. She became the wife of James Carroll, August 22, 1875, at Stylesville, Iowa. In 1878, she with husband came to Holt county, where she lived till death called her home. To this union five children were born—two boys and three girls—Mrs. Geo. Cummings, of Forest. City. and Mrs. Foster Crowell, and William and Edward, of Oregon, these with the husband survive, the other child having died in infancy.

She united with the Christian church in 1800, at the Star school house in Davis county, Iowa, under the preaching of Eider Hartley, and during these forty-seven years has ever been an active, zealous worker in her church, and faithful till death. In addition to husband and four children, she is also servived by nine grandchildren, two brothers, David French, of Ottumwa, Iowa; one sister. Mrs. Tassett, of Weatherford, Okia., and a large circle of relatives and friends. She was an ideal wife, a tender, loving mother, and a splendid Christian woman. The following little poem was found in her litble: Just a talk with Jesus, how it smooths the rugged road,

Just a talk with Jesus, how it smooths the rugged road.
How it seems to lift me upward, and make light my heavy load.
When my heart with pain is aching and my eyes with tears are dim.
There is nothing brings me comfort, like just a talk with Him.

I tell Him I am weary, and my soul longs for sweet rest,
He answers: "Come weary one and lean upon my breast."
He blesses me abundantly and cheers my fainting heart,
And wants me of His blessings sweet to always share a part.

When dark the way and lonely, I faint along the way
With thorns that prick my weary
feet that causes me much dismay;
When groping in the shadows deep
that make my pathway dim,
There is nothing clears the clouds
away like just a talk with Him.

The funeral services were held from the Christian church, where she had worshipped so many years, on Tuesday, May 5th, and were con-ducted by her pastor, Elder B. H. Dawson, the burial being in the beautiful Maple Grove cemetery.

#### Card of Thanks.

We wish to extend our sincerest thanks to the friends and neighbors who were so kind to us during the sickness and following the death of our wife and mother. Their kindness is appreciated beyond expression.

The Old Reliable PETER **SCHUTTLER** 

Farm Wagon

has stood the test of time. For sixty-nine years it has

utmost in wagon perfection—for sixty-nine years it has represented the painstaking, old-fashioned ways.

Wagon troubles, wagon expenses are over with when you purchase the "Peter Schuttler," The purchase price is the only price. Although the price may be a little more than you would have to pay for some other makes, the additional cost is an investment—not an expense.

The profits on a "Peter Schuttler Wagon" are no more than the profits on cheap wagons. The added cost goes into added quality, and it is this added quality that saves repair bills, avoids break-downs, reduces after-purchase expenses.

It will pay you to investigate. Come in and inspect the Schuttler before buying.
